

Expansion of MRF project at Permabalur

- MRF has committed to invest **Rs.4500 crores** in 7 years in the form of expansion in Arakonam and Perambalur plants. The Direct employment commitment in the above expansion projects is 2000 Nos.
- MRF has proposed to manufacture Automobile Tyres in these expansion projects.

Phase I

- MRF has already invested Rs. 1100 crores in Phase I with a direct employment of 1200 Nos and an indirect employment of 950 Nos.
- MRF procured 467.16 acres in Naranamangalam and Karai (west) villages of Alathur Taluk of Perambalur District
- MRF applied to Guidance Bureau for Single Window clearance in September 2014.
- The Single window Screening Committee met in September 2014 and passed an unanimous resolution according Composite In Principle NOC to this project.
- Composite In Principle NOC was also issued by Guidance Bureau in October 2014.
- Approvals of TNPCB, Fire Services, Directorate of Industrial Safety and Health, Chief Electrical Inspectorate, etc.
- Only DTCP approval is pending due to Vaari and poramboke lands issues.
- MRF has already commissioned production in Phase I.
- A revised MoU was signed with the Company during GIM 2015.

Phase II

- Again MRF approached Guidance Bureau for single window facilitation for Expansion – Phase II.
- The investment envisaged in this expansion is about **Rs.931.30 crores**
- Additional capacity has been increased to 85000 Tyres per annum.

- Composite In Principle approval was already issued by Guidance Bureau on 12th January 2016.
- MRF informed that the construction is in progress for this expansion – Phase II.
- MRF also informed that all approvals except DTCP has been received for the expansion project.
