The above does not include MoU projects like MRF, Yamaha, Enfield (I phase), Yamaha Vendors, ITC, Kone, Takasago, etc which have also been provided Single window facilitation by Guidance Bureau. This is done to avoid double accounting.

Further, Guidance provided single window facilitation to various phases of projects namely Michelin, JK Tyres which signed MoU in 2006-11. These investments also have deducted to avoid duplication. Hence the reduction in the number of Proposals and the investment accounted against Single window (Non-MoU).
